* calves at side (A lots) have been parent verified or parent verification is in process and pending (these calves have been issued a "U" number/ID). All calves will be issued a FB number once weaned. Vermont Wagyu will finalize any registration processes on all calves sold.

* REFERENCE SIRE PAGE CONFUSION - PAGE 7 - This graph is the rankings of just the Foundation sires listed within this table, and does not reflect any non Foundation information. Nothing more than a foundation bull comparison between the National Sire Summary (Washington State University), and the AWA-AU EBV data, and is not the actual rankings of the entire data set as posted within the National Sire Summary and the AWA-AU EBV listings.
