After a record setting pair and bred cow sale which saw 1st calving pairs sell at \$2900, a large crowd gathered for the CAB-CCB Bull Sale. Although the quantity was down the quality at the highest level ever for this event. Bulls sold at a rapid fire pace to buyers from throughout the central valley and coast. Many repeat buyers for this event showing that the bulls have been well received. The consignor, many of which are smaller breeders, must be commended on the presentation of the offering. This is one of the last bulls sales of the season, where over 1700 bulls have already sold at auction. Westamerica Bank sponsored a delicious barbeque between the female and bull sales that was enjoyed by all. A job well done by all involved.
