**A rather hot May day greeted the sale attendees to this 2014 Lone Mountain Sale. Cattle sold at a rapid fire pace to 10 states and to Switzerland to record the breed's first one million dollar sale totaling \$1,033,400 with the live lots averaging \$11,529. The internet activity was strong with over 100 tuned in to witness the event. The flushes topped at \$10,000 on LMR Ms Sanjirou 617S, 5/3/06 by Sanjirou, selling to Rick Waddell, Flemingsburg, KY while the top selling embryos sold at \$1,100 each on five sired by Sanjirou out of LMR Ms Itohana 8175U and purchased by Bill Askew, Malin, OR. The hospitality extended by Bob & Mary Estrin of Lone Mountain Cattle Co was superb with the social on the night prior to the sale and the Mexican style Wagyu lunch on sale day. Indeed a great event for Lone Mountain Cattle Co and the Wagyu breed.**
