7. Cattle must be sound and of good quality. Unsound, bad udders, bad eyes, under conditioned and low quality are subject to acceptance only by the sale management. All pedigrees will be screened when submitted.
8. Cattle may or may not be present to sell. It is recommended by the sale manager that live entries are present; however it is not a requirement.
9. This is an un-haltered sale. However, if your entries are halter broke, please indicate this on your entry forms, as many breeders prefer halter broke cattle because they are quieter and easier to handle.
10. Sale order will be determined by the sales management.
11. **All females must be calfhooed vaccinated, tested negative for TB, BVD and eligible for interstate shipment. All bulls must be semen, trich and BVD tested and eligible for interstate shipment.** It is not required but recommended to test for Johne's. Any animals that test positive will be rejected. All testing must be completed within 30 days of the sale date and all required paperwork must be presented to sale staff upon arrival to the sale facility. All paperwork must be completed entirely to ensure animals are eligible for interstate travel.

12. All females selling as pregnant must have the accurate breeding information listed on the entry form. Pregnancy checks are required and must be completed within 30 days of the sale date (between October 9th and November 7th, 2024) otherwise they will be sold as unconfirmed. (Palpation, urine, and blood tests are acceptable). You must present a signed certificate from your vet stating open status or pregnancy status upon arrival to the sale facility.
13. Live animal consignors must supply/bring their own feed. Consignors are responsible for feeding their own animals. Sale management will be there to assist if needed. Please contact sales management prior to the sale if you need feed provided.
14. All cattle must be registered or in process prior to entry. For calves selling at-side, all DNA samples must be submitted to the AWA/AuAWA in order to sell. Dual registration in both USA and Australia is highly recommended.
15. All paperwork must go through the sale management office. Proceeds will be paid to consignors only after purchases have been paid for and funds have cleared the bank. Be sure to fill out the “**make proceeds check payable to” portion of your entry form** to ensure a timely and correct payment of your proceeds from the sale.
16. All live lot consignors are responsible for registration transfers and must be completed within 30 days of receipt of buyer payment. Assistance from sale management is available if needed.
17. The sale may take 30-60 business days to close. Sellers must be aware of the time to collect all proceeds, clear checks, and pay the bills. Only after all payments are received can the sale be closed. JDA is acting as an agent and seller will be paid after the proceeds have been collected from the buyer. All sales and guarantees are between buyer and seller, not sale management (JDA).
18. All consignments will receive equal space within the sale catalog. Sale management will determine the content of each lot.
19. A signed floor/reserve agreement must be completed and returned to the sale management by 3pm on Friday, November 8th, 2024 in order to sell. This floor/reserve agreement will be provided to you prior to the sale. All lots without a signed floor/reserve agreement will forfeit selling and the consignor will be responsible for all prorated sale costs. **Please see updated live lot commission on no-sales only in #4.** Please call the JDA office with any questions regarding this commission change.
20. A small package of catalogs will be sent to you prior to sale day. If you have not already started, begin promoting this event. Without a combined effort by all, we will not succeed on the level that we would like to. Contact and encourage buyers from your area to attend. Let's make an all-out effort to get out the word and gather up a big crowd for this event!
21. All consignors selling live animals will receive ear tags and tagging instructions after the catalog is sent to the printer.

Mandatory live animal consignor meeting on Friday November 8th, 2024, at 3pm in the sale barn.
